Synopsis:	<p>A key role assigned to the Council is to link the work of K-12 and postsecondary educational and training programs, schools, and institutions to careers. To achieve this, the Council is asked to connect the work of its partners, including those represented on the Council, as well as other key partners. This panel discussion will be an opportunity to hear from three critical partners about how their work connects to the goals and strategies outlined in the Roadmap.</p> <p>The State Board of Education, the Professional Educator Standards Board, and the Workforce Training and Education Coordinating Board will each share their strategic goals and objectives, and describe how their work supports increased educational attainment in Washington.</p>	
Guiding questions:	<ol style="list-style-type: none"> 1. What are the key priorities in each agency's current strategic plan and/or legislative agenda? 2. How do those priorities connect with the goals outlined in the Roadmap? 3. How can the Council better support the work of our partner agencies?
